ADENA

The site was excellent, the public attendance was very good, but The Company's turn-out was low.

Our thanks to Serjant Lucas and Private Hively for representing The Company.

It is hoped that The NWD BAR will return to Adena in the near future.

FORT LIGONIER

Again, a great site, a good public attendance, and a very low attendance for The Company.

Our thanks to Serjeant Lucas for representing The Company.

HUCK'S DEFEAT

I apologize for my error in not recognizing Pte. Bryan Tate and his attendance at Brattonsville for Huck's Defeat.

From the information and photos received, Bryan was able to show the other participants what the appearance of a proper British soldier should be.

Well done, Bryan.

2ND PLATOON

Any other events attended?

THE FUSILIER

Regimental HQ has recently sent out the August issue of The Fusilier. If you did not receive it, please contact Company HQ (me).

COFFEY INJURY

Jim Coffey reports that the burn he received to his hand at Wyoming Valley is healing nicely but that he might have some permanent "tattooing" from the powder residue.

We wish Jim well.

REGIMENTAL DUES

In the August issue of The Fusilier, Major Morgan announced that Regimental dues would be increased in 2012.

If dues are paid before March 1st, they will be \$30.

If paid after March 1st, they will be \$35.

If paid after April 1st, they will be \$40.

Therefore, I would ask that you send your Regimental dues and your BAR dues (If you wish to join the BAR in 2012) to me by February 20.

If there is a reason that you cannot send me \$30 by February 20, please let me know.

CAPTAIN PIEPER'S INJURY

According to my orthopedic doctor, I have damaged the meniscus of my inner left knee joint.

I hesitated to attend Adena and Fort Ligonier due to a concern about falling. However, that now seems unlikely.

I plan to attend Brecksville and Washington County.

NWD BAR ELECTION

The Company members of The NWD BAR were asked to tell me their choices for the 4 At Large seats in this years election.

Six candidates are running for the 4 seats. They are: Kurt Ayers, Bernie Borowski, John Conklin, Mary Jo Lucas, Jeremy Rice, and Rich Stoll. Six of our eight members voted.

Based upon the choices of those who voted, I have cast our Company's ballot for: Kurt Ayers, John Conklin, Mary Jo Lucas, and Jeremy Rice.
