### **OPPORTUNITY FOR ADVANCEMENT**

It is the desire of Major Morgan to see 2nd Platoon grow and become an independent company, as it once was.

Therefore, recruiting is extremely important.

Attending events, posting notices in area that would attract people interested in The American Revolution, the British side of The War, re-enacting is part of attracting recruits.

Those persons in 2nd Platoon who would like to advance in grade are urged to contact Company Headquarters to express their interest.

Many criteria will be used to judge who is best suited to serve as an Acting Corporal. Serving as an Acting Corporal will give Captain Pieper and Major Morgan an opportunity to see how well you handle your duties.

There are no "guarantees" to serving as Acting Corporal. You may be asked to advance (to Lance Corporal or Corporal) or you may be returned to Private.

Part of "making the grade" will be - attending events (both local and Regimental), having your uniform and equipment in exemplary condition, attending to duties when asked, and much more.

If you have any questions, please contact Captain Pieper.

It is hoped that some arrangement will be in place for the start of the 2012 season.
