### **FORT LAURENS**

The Company had a very good turn-out at Fort Laurens on July 9-10 and everyone seemed to have a good time.

Serjeant Lucas, Corporal Boyer, Privates Sondles, J Coffey, Conrick, and Akers (plus Captain Pieper) attended. Regrettably, Privates J Coffey, Conrick, and Akers were not able to be with us both days.

Thank you to all for attending!

### **DEPARTURE**

It is with deep regret that The Company has been asked to discharge Private Terry Akers due to health issues.

Terry has known that he has a serious bursitis condition in both hips for some time but had hoped that he could manage the discomfort. Such is not possible.

We wish Terry well and hope that he will stay in touch with us.

Terry's entire kit is for sale.

All the best, Terry!

### **WYOMING VALLEY**

I have not received many details about the Wyoming Valley event.

The Regiment appears to have had a decent turn-out.

Private Jim Coffey sustained a burn wound when his musket "cooked off" a round as he was loading. Jim sustained some serious burns to his hand and is currently undergoing care treatment. We wish Jim all the best !!

### **SECOND PLATOON**

I have had no reports of events recently attended or activities planned.

Wyoming Valley? Huck's Defeat? House in Horseshoe?  
?

### **RECRUITING BROCHURES**

Remember - always have several Regimental brochures and Company brochures with you when you are at event or in uniform elsewhere.

Having one or two of each in your personal vehicle is also a very good idea so that - if you see a place where posting brochures is allowed and if it is a place that potential recruits might be around - you can post one or two.
