### NEEDHAM

The Battle for Needham, May 21-22, was an excellent event. It was well planned by Ken Siegel and well executed. It was a lot of fun and well worth the drive east.

It is only regrettable that The Regiment did not have a better showing. Considering that there were no other major events happening the same weekend to keep The Grenadiers, The Lights, or The Eastern Fusiliers away - we should have had a much larger turn-out.

Thank you Ken for all your time and effort!

### JUNE

The month of June has been a relatively "empty" month for Grove's Company. Most regrettable.

### WYOMING VALLEY

It appears that The Regiment should have an excellent turn-out at Wyoming Valley.

With The California Company coming and no conflicts to keep away the bulk of The Regiment, Wyoming Valley should be well worth the effort.

"THANK YOU"

The Company thanks Private Jim Coffey for his donation to The Company treasury. Jim has done this before and it is very much appreciated!

### RECRUITING BROCHURES

Remember - you should always have several with you when in uniform and at events.

When at home, it is good to have two or three in your vehicle so that - if you see a place where brochures may be posted - you can post one for The Regiment/Company.
