

The Flash

Col's Co, RWF in America

September 2018

Mount Harmon, Maryland

The weekend of September 15-16 will be the big brigade event of the year on a site we were on a few years back. It really is lovely with a manor house, open fields and wooded trails around an inlet of the Chesapeake.

They want reenactors to show and are letting us sculpt the ground to make it more interesting. This is a two-day affair and you'll need at least two boxes of ammo. If you plan on being there, please drop me a line so we can plan how much food we'll need.

So you know the time, the place and the logistic. All that's needed is your appearance to make the weekend work. Beer is always welcome as are other spirits and I am perfectly willing to help out those who find they brought to much.

to get to the site.

Take I-95 South to Exit Route 896 South (toward Middletown)

Go right onto Route 40 (towards Elkton) Follow Route 213 south (toward Chesapeake City) Proceed to Cecilton

In Cecilton, turn right (west) at the stop light (Route 282) and proceed 2 miles

Turn Left onto Grove Neck Rd. Follow Grove Neck Rd. about 1.5 miles

Turn left into Mount Harmon entrance

German town

The usual one-day shoot 'em up in Philadelphia on Saturday October 6. Our annual powder burner in Philadelphia and my favorite regular event. A fight on the actual ground involved, a free lunch and we get to kick colonial back sides twice. Come on it's a lot of fun and we get to have the dominate place on the flank of the line.

You will need two full boxes of ammo but food is provided

This can easily be done as a day trip from New York, I use to do it when I lived there, so it is something we can do easily and with the big event coming up it's no bad thing to get out and shake the rust off before the big show.

To get to the site from New York take the NJ turnpike south to exit 6, to the Pennsylvania turnpike. Follow this about 30 miles to the Plymouth Meeting exit. as you get off the turnpike Germantown Pike is before you. Turn downhill with the mall at your back and follow this about 8 miles the Chew mansion will be on the left.

Putnam Park

Mike miller has been involved in getting this site in Connecticut revitalized They are having a re-enactment the first Saturday in November. This is a BAR event so you must be a member to attend this. If you're not you can pay at the door.

Hope lodge

The traditional end of season event. The first Saturday in November. One day two fights. Last year they sharpened it up from the usual show by having Lafayette's break out from barren hill (just a few miles from the site) to try and get back to the main American force. I'm looking forward to seeing what they will do this year.

Directions

As no one has given me feed back on how you want these to go. I'm going to be stubborn and just keep producing the directions I've been doing for years now.
