

JOIN THE HEROES OF MINDEN

Gentlemen Volunteers,

It is time to take up the musket and sword in support and defence of His Majesty. One of the oldest and most distinguished corps in the Army, the Royal Welch Fusiliers is seeking men to protect the Royal Colonies from those that seek to sever ties from Great Britain and surrender it to the Bourbons!

You will have the honour of serving His Majesty, King George III. Due to the bounty and wealth that this continent provides, you are expected to furnish all required uniform articles and accouterments at your own expense from regimentally approved sources.
