

SEPTEMBER – BRANDYWINE – More information will follow in the coming months – this is a British Brigade event and we should have members from our unit from the North and South in attendance. We encourage everyone to make the effort to attend. This is a major event up north and worthy of the trip up.

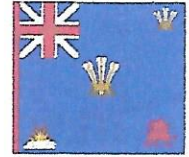

After Action Report

April 30 – May 1st 3 / Mount Vernon reenactment, Alexandria, VA. In attendance were – Jordan Rowland, Shane Watson, Gabe Everman, Tim Brieaddy, Jez Brieaddy, Kevin McClain, Ben Beers, Nolin Jones and Eric Spaar. Another great turnout for the 23rd RWFIA. Most of us arrived on Friday afternoon / Friday evening and enjoyed camping out.

The British outnumbered the Rebels on both days. Units attending included the 7th, 14th, 23rd, 43rd, 64th, The Guards, and multiple German units. We were brigaded with the 64th both days and the battles went well.

Special thanks to Fusilier Shane Watson for his fiddle playing which was most enjoyable to the entire camp and visitors.
